## About the conference

IMCCRT 2026 is the 13th edition of a fully virtual, multidisciplinary research conference organised by Rawbit Foundation in association with HM Publishers. Researchers, faculty members, doctoral scholars, clinicians and practitioners from every discipline are invited to present original work in a single-day programme of keynote addresses and parallel technical sessions.

Accepted papers are published free of cost, with a CrossRef DOI, in one of 26 peer-reviewed open access journals hosted at [journal.hmjournals.com](http://journal.hmjournals.com). There is no registration fee and no article processing charge.

## Research tracks

- Artificial Intelligence & Machine Learning
- Cybersecurity, Privacy & Blockchain
- Image Processing, Vision & Remote Sensing
- Pharmacy, Oncology & Life Sciences
- Energy, Environment & Sustainability
- Management, Commerce, Finance & Economics
- Data Science & Big Data Analytics
- Internet of Things, Edge & Cloud Computing
- Healthcare, Medical & Nursing Sciences
- Engineering, Applied Mechanics & Materials
- Agriculture, Food & Animal Sciences
- Education, Law, Humanities & Social Sciences

## Important dates

|                                   |                      |
|-----------------------------------|----------------------|
| Abstract submission deadline      | 31 August 2026       |
| Full paper submission deadline    | 10 September 2026    |
| Notification of acceptance        | 17 September 2026    |
| Early-bird registration closes    | 20 September 2026    |
| Camera-ready & final registration | 25 September 2026    |
| Conference day (virtual)          | 30 September 2026    |
| Publication in HM Journals        | From 15 October 2026 |

## Submission requirements

- English, in the IMCCRT 2026 template (A4, single column, 11pt), maximum 12 pages
- Structured abstract of 250–300 words with 4–6 keywords
- Similarity index below 15%, with no single source above 5%
- References in APA 7th edition style; figures at 300 dpi minimum
- Submit as .docx to [imccrt@hmjournals.com](mailto:imccrt@hmjournals.com) or through the online form
- Double-blind peer review by at least two independent subject reviewers
